

SBE CHAPTER 52, COLUMBUS AND CENTRAL OHIO

***Meeting Notice for: Wednesday, May 21, 7 PM
at WOSU Studios, 1800 N. Pearl Street
(very near corner of 15th and High Streets)***

The meeting will be at the ultra modern WOSU Public Media office plant. Metered street parking is accessible near the building along with a nearby Parking garage located on the west side of High Street. The refreshments/social period will begin at 7PM (EDT) followed by formal program at 7:30PM. The program will be: "Bringing to Light: The Changes in the Tower Lighting World!" The guest presenters will be Bear Poth, the founding President and CEO of LumenServe, based in Austin Texas, with other seasoned team members. The program includes the latest updates in Federal Aviation Administration tower lighting regulations. The talk will high light

innovations in LED tower lighting and the FAA November 2020 Circular Regulations. In addition, traditional tower maintenance has a new model: Tower Lighting as a Service. LumenServe is at the forefront of this new approach to tower lighting, and its advantages and implications.

This meeting will also be accessible on ZOOM.

The ZOOM meeting login credentials are:

Meeting ID 935 2549 3410

PASSCODE 502982

We encourage in person attendance however for a group photo for our SBE Chapter 52 WEB Page! (<http://www.sbe52.org>). In person or ZOOM, have your questions ready.
